

Welcome to the May wine list for Bellota. As it is Aussie Wine Month we will be pouring all Australian wines by the glass all month long from some of our favourite producers from around this great nation. It will change frequently this month as we want to showcase some traditional and up and coming varieties as well as producers. All the wines are served by the taste, glass and carafe (half bottle) and reflect our belief that good and interesting wines are made all over Australia.

Remember too, that any wine from Prince Wine Store (just walk through the glass doors) may be consumed at Bellota. There is a \$15 corkage for wines under \$80. If you are after a recommendation just ask any of the team and we'll be happy to share our passion and knowledge. Cheers Cory
